Mill Stream

From the Missionaries

Jesus Christ is the same yesterday and today and forever. Hebrews 13:8

Change...I've heard it described as "change is the only thing consistent in life"... a bit of an oxymoron, yes?

The only real consistent thing on earth is God as he never changes. Knowing that our God never changes helps us get through the many changes and challenges that come at us every day.

COVID 19 has presented changes that we have never experienced before but thankfully our God is still the same and He is ever present in our lives.

Change has come once again to Mill Stream.

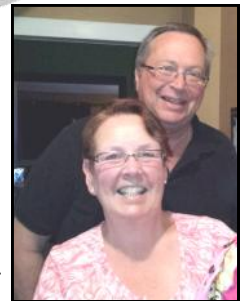

Our Director, Stephen Morden, has decided to step away as the camp director for family reasons. We wish Stephen and his family all the best and success in his future endeavors.

With this change Cindy and I will be stepping into the roles of Managing Director and Food Services Manager as BCM Canada begins the search process for a new Director.

Please pray for Phil and the Board as we seek to find a new Director in the next few months.

Also join us in prayer for the finances of the camp as we have been closed since March.

Mill Stream-in-a-box

Hello Mill Stream Family!

Thank you for your continued prayers and support this summer. As you can probably guess, camp was done a bit differently this summer. Instead of running our typical overnight camp, we created a new program called Mill Stream in a Box.

The goal of Mill Stream in a Box was to capture the camp experience, even if we couldn't be on the property together. So we created crafts, challenges, bible lessons, outdoor activities and family activities for our campers to remind them of their favourite parts of camp. The box included instructions and supplies for seven days of programmed activities along with links to instruction videos created by myself and my

assistant Cheeko (who edited them and did a fantastic job!) with the help of our staff. To top this all off, we contacted past and present staff members to help us create virtual campfires complete with skits, silly songs and a bible emphasis to point our campers back to Christ and where the true heart of camp is.

This summer was not without challenges, as we all had to adapt to different work environments and new roles on top of planning camp in the middle of a pandemic! But at the end of the day, we connected with our campers, we had fun with our staff, and we shared the good news of Jesus Christ, encouraging campers to walk in faith during tough times...sounds like a successful summer to me.

Thank you again for all your prayers and continued support during these unprecedented times!

Projects Update!

Our volunteers took a 4 month break during the peak of Covid-19.

Two of our volunteers returned in June & July to finish Boys Cabin 2. We are so thankful for our incredibly dedicated men who love God and want to serve Him by serving the camp. We are so excited to see progress on the rebuilding of the boys cabins and will be starting on Boys Cabin 1 this month. Why not join us on October 3rd to see God's faithfulness at Mill Stream!

Prayer Partners Prayer is the most important way for you to support this ministry.

Please contact us if you wish to start a prayer support group or join us the second Tuesday each month at Marilyn Manuel's home at 163 Gibbons Street in Oshawa. You can contact us at the camp at 877-979-9990 or email at office@millstream.camp for further information.
